

HAIKAL DANIAL BIN MOHD ROHAIZA

Kota Bharu, Kelantan | 0183427554 | haikal.danialmr@gmail.com

CAREER OBJECTIVE

To leverage my technical background in Software Engineering and hands-on experience with IoT systems to develop innovative, user-centric solutions. As a proactive problem-solver with a strong foundation in full-stack development and data integration, I am eager to contribute to a dynamic team where I can apply my skills in building efficient, scalable applications while continuously evolving with emerging technologies.
